Bim has proceeded on 19 September 2019 to the repurchase of 16.000 senior bonds guaranteed and exchangeable in existing shares of the Elixir Group company that it has issued on 10 November 2015 and that are negotiable on the Luxembourg Stock Exchange Euro MTF market (ISIN FR0013044286). This buyback was settled on September 23, 2019.

Prior to this repurchase, the number of exchangeable bonds in circulation was 3,396,051.

As a result of this repurchase, the number of exchangeable bonds outstanding amounts to 3,380,051.

Bim will proceed without delay to the cancellation of the 16,000 exchangeable bonds thus repurchased in application of their terms and conditions.
